Association of Engineering Professionals in Society Ltd

To: All Members

**Announcement of Students' Activities**

Recently the students from different students' society has made great efforts in organizing different kinds of activities for the welfare of the students. For some of their activities, they have invited us to assist or participate in so as to help the students realize the current situation of the engineering practice and the students' career prospect.

We have consolidated the details of different activities held by the relevant students' society and they are shown as follows:

**1. Interview Strategy - held by Engineering Society, HKU**

Objective:

- 1.To provide an opportunity for students to learn job interview skills.
- 2.To provide an opportunity for students to learn writing skills for interview.
- 3.To allow students to have more job interview experiences.

Details:

1. This function will be divided into two parts: a career talk and a mock interview.
2. The career talk will concern the interview skills as well as job application letters and resumes.
3. To give a career talk (which will focus on interview skills as well as job application letters and resumes), and / or to be interviewers.

Date: Early February, 2006

Target: Mainly Year 2 and Year 3 Engineering Students

Expected No. of Participants: 80

Contact Person: Wong Wan Yee (mobile: 96304645; email: [h0412410@hkusua.hku.hk](mailto:h0412410@hkusua.hku.hk))

**2. Mock Interview - held by Civil Engineering Students' Society, HKUST**

Objective:

1. To help students, especially year 3 students, getting some ideas and experience for their future interviews when they apply for a job.
2. To give students better understanding about themselves in order to have better performance when they are in the real interview.

Details:

1. The interview will be held from December 2005 to January 2006.
2. It is in the form of one-on-one basis and the date, time and venue is interviewer-orientated.
3. After each interview, a short evaluation form, which is to be completed by the interviewer, will be given to the interviewee.

Contact Person: Mr. Tsang Ho Pan, Derek (60905904) ([ce\\_thp@stu.ust.hk](mailto:ce_thp@stu.ust.hk))

You are cordially invited to be an interviewer. If you are interested to join the function, please fill in and return the reply slip (Mock Interview by Civil Engineering Students' Society at HKUSTSU) via e-mail ([su\\_civil@stu.ust.hk](mailto:su_civil@stu.ust.hk)) or contact Derek Tsang at 60905904 to confirm the details of interview on or before 31 January, 2006

### **3. Engineering Mentorship Program 2005 "Init" - held by Engineering Students' Union, HKUST**

Objective:

"Init" is an engineering mentorship program and aims at bringing engineering students and professionals in the relevant fields together, enhancing the personal, social and career development of the students.

Through this program, engineering students could benefit from you in many different aspects. They will learn how to equip themselves and broaden their social network, which in turn will better prepare them for their future careers.

Details:

1. From December 2005 to January 2006
2. The priority of matching mentors will be according to the requests of the mentors and the performance of the interviewees.
3. During the program, mentees are encouraged to have frequent contacts with their mentors individually.
4. Regular evaluations will be carried out during the mentorship program.

Registration & Enquiries:

Please provide a brief resume to Ms. Cheung Po Ki (contact no. 90117860) by e-mail: [su\\_esu@stu.ust.hk](mailto:su_esu@stu.ust.hk)
