Debriefing Seminar Delegation Visit to Malaysia and Singapore

Saturday, 25 July 2009 (9:30 - 11:30am)

HKIE Headquarters, 9/F Island Beverley, No. 1 Great George Street, Causeway Bay, Hong Kong

Programme Highlight

The Civil and Environmental Divisions of the HKIE and the Association of Engineering Professionals in Society (AES) organized the delegation visits to Malaysia and Singapore between 20-23 November 2008 and 27-30 May 2009 respectively. The delegations are two of the activities under the Project entitled "Enriching Hong Kong Engineers' Understanding of Practising Requirements, Current and Future Engineering Industry Development in the ASEAN Countries, and Competitive Strengths and Opportunities for Hong Kong Enterprises to Enter the Market", funded by the Professional Services Development Assistance Scheme (PSDAS) of the HKSAR Government.

In the debriefing seminar, Ir K P Yim, Past Chairman of the HKIE Environmental Division and Senior Vice Chairman of AES, will give an overview about the engineering and infrastructure development in the ASEAN Region and a series of activities, comprising a high-power conference in Hong Kong and visit to Guangxi and Vietnam in November, aiming at understanding the competitive strengths of the Hong Kong engineers and their opportunities for providing the professional services to the entrepreneurs in the ASEAN Member Countries, including Guangxi and Yunan Provinces of the PRC. Young engineers of the two delegations will share with us about what they had learnt and experienced during the delegations. Discussion topics tentatively include:

Malaysia

- Overview and Development of Construction Industry in Malaysia
- Development, Management and Maintenance of Transportation and Roads
- A Brief Introduction about the Transportation Hub – KL Sentral
- The Practice of Design and Construction of Pile Foundation

Singapore

- Future Development & Historical Conservation
- Land Transportation System
- Waste Water Treatment
- Energy including Incineration, Solar Energy, and etc
